

Fall 2024

Dear Applicant,

Thank you for your interest in the two-year Child and Adolescent Psychoanalytic Psychotherapy Program (CAPP) at the New Center for Psychoanalysis (NCP).

CAPP is a two-year in-person program at the New Center for Psychoanalysis.

** A remote solution may be possible if you are out of L.A.*

Our program is designed for licensed mental health professionals actively seeing patients or clients. (LCSW, MFT, PhD, MD). Occasionally, we accept students working toward licensure under a licensed professional.

Our program sharpens clinical skills, deepens theoretical knowledge, and enriches case conceptualizations through the lens of in-depth analytic thinking. Through the CAPP program and the affiliation with NCP's programs, students find a community of professionals and make connections that continue to thrive long after graduation.

CAPP aims to offer an in-depth understanding and recognition of developmental phases from birth to emerging adulthood, which will assist our graduates in becoming more effective clinicians.

Please return your completed application to Program Director Katharine Gould, MSW, CLC, at: childpsychotherapy@n-c-p.org.

Once your completed application is received, you will be contacted to arrange an interview.

For further information about our Program and/or any questions you may have, please contact me at the email above or the NCP website.

Early application deadline is May 15th. The regular application deadline is August 31st.

Application Fee of \$100 is waived for early applicants.

I look forward to hearing from you!

KATHARINE GOULD, MSW, CLC
