

A Few Important Questions About Your Professional History

We ask these questions of everyone; they are a standard part of our process. Please answer honestly; context and explanation are always welcome.

Has anyone ever filed an ethics complaint against you, or have you ever faced a criminal charge or civil complaint related to your professional work?

YES NO

Have you ever been a defendant in a lawsuit related to your professional practice?

YES NO

Has your professional license ever been suspended, revoked, or placed under any restrictions?

YES NO

Has any professional organization ever limited your privileges, denied you membership, or formally censured you?

YES NO

Have there ever been any allegations or formal findings of unethical or unprofessional conduct in your work?

YES NO

If you responded YES to any of the above, please tell us more. We understand that professional histories are complex:

I confirm that the information I have provided above is true and accurate to the best of my knowledge.
